BT 200 Bumper Hitch

"The Strobel low profile is fantastic...it is safe and makes the job easier. The tender is well built and balanced right. It doesn't overload the truck and it won't break."

Kevin – Seed Dealer

BT 200 Gooseneck

"I'm so glad I bought my Strobel BT300. I just call my seed dealer and load it up! I have a couple neighbors who saw mine...and now they bought one."

The Strobel Family

Since 1946, the Strobel name has been synonymous with high quality, durable products that meet the needs of customers across the country and around the world. Throughout the last seven decades, "innovation" has been forefront - beginning with Leonard Strobel's blacksmith shop in the early days to the next generation of products for farmers, contractors, feedlots and ranches.

In 2008, Steve and Belinda launched Strobel Manufacturing (formerly Strobel Industries). Their commitment to family and faith permeates every part of the company - serving and caring for the employees, the customer and the broader community in which they live.

Today, the entire Strobel team remains committed not just to innovation, but to the strong tradition of integrity, character and quality craftsmanship.

Every piece of machinery carries the Strobel Strong Warranty - covering parts, material and workmanship.

This industry-leading warranty gives the customer peace of mind and hassle-free protection.
